Chorus

2. The God who's Spirit made man a spirit  
To worship Him thereby,  
Enabling man to gain God as life and  
God to be man's supply.
3. God comes as Spirit into man's spirit,  
Regenerating him;  
In spirit man can enjoy God's riches,  
Fellowshipping with Him.
4. As Spirit, God waters, fills, refreshes,  
Transforms me and renews,  
From spirit to my whole being spreads, till  
I am soaked through and through.
5. As Spirit, God joins and mingles with me,  
Even transfigures me;  
He adds His element constantly, till  
Manifested in me.
6. As all God's riches are in the Spirit  
For our experience,  
I must each moment breathe Him in spirit  
To enjoy all He is.
