1. "Al - ways I'll be with you"— Prom - ise sweet to hear,
 Fills my heart with com - fort, Drives a - way my fear;
 Through long night and gloom - y, Christ my shield will be;
 He will ne'er for - sake me, Al - ways be with me.

Chorus
 (C) The Lord is with me, The Lord is with me; He's
 prom - ised He will be with me Un-to e - ter - ni - ty.
 The Lord is with me, The Lord is with me; He's
 prom - ised He will be with me Un-to e - ter - ni - ty.

2. Every flower withers;
 His love never will.
 Earthly sunlight darkens;
 Heav'nly's splendid still.
 He's like myrrh, a bundle,
 "Twixt my breasts all night.
 Always He'll be with me,
 Till that morning light.

3. Rough the way before me;
 Trials soon increase;
 But the Lord is nearer,
 Saying, "Be at peace."
 Joys, like birds of springtime,
 Fill my heart with glee;
 Cause me to sing sweetly,
 "The Lord is with me!"
