(Guitar)

1. As now we breathe the heav'n - - ly
air, The fra - - grance from a -
bove; May ev - - ery soul put off the
flesh Each spir - it fill with love.

2. Lord, cause our hearts to intertwine;
Fill us with love divine;
Forbid the day that we would change
And not love Thee or Thine.

3. We all must take Your cross as guide,
To all Your will be true;
Thus only draw we closer to
Each other, and to You.
