2. Work, for the night is coming,  
Work through the sunny noon;  
Fill brightest hours with labor,  
Rest comes sure and soon.  
Give every flying minute,  
Something to keep in store;  
Work, for the night is coming,  
When man works no more.
3. Work, for the night is coming,  
Under the sunset skies;  
While their bright tints are glowing,  
Work, for daylight flies.  
Work till the last beam fadeth,  
Fadeth to shine no more;  
Work, while the night is darkening,  
When man's work is o'er.
