Chorus

2. You've been wandering, wand'ring for some ways,  
Sinking in the grip of sin.  
Yet He's patient still, patient as He sways,  
Weary hearts He wants to win.

3. Many times He called, though you've turned away;  
He is caring still for you.  
He will not allow His love to be swayed  
As He urges you anew.

4. To His call submit, find His love your home;  
Jesus now yet waits for you.  
He is calling still, "Unto Me now come."  
Answer to Him, "Yes, I do."
