

**God, the Salvation in Thy Life**  
 Hope of Glory — Salvation to the Uttermost

9006

1. God, the sal - va - tion in Thy life  
 Meets what Thy righ - teous - ness de - - mands;  
 Ju - di - cial - ly, or - - gan - i - - c'ly,  
 Full and com - plete as Thou hast planned.

2. Redeemed by Thee judicially,  
 Saved in Thy life organic'ly;  
 Thy righteousness is satisfied;  
 Thy will accomplished perfectly.
3. Judicially I'm justified,  
 Organic'ly made one with Thee;  
 I am reborn a God-man now  
 And sanctified, renewed to be.
4. Transformed to Thine own image bright,  
 Through Thy life metabolically,  
 Till we mature, as a full-grown man,  
 Built as one Body corporately.
5. Then will our bodies be redeemed,  
 Sonship in glory Thy high call;  
 Mingled, Thy mutual abode,  
 The New Jerusalem our song.
