2. I love You, dearest Jesus.

Each day, I love You more.  
Each touch of You, my Jesus,  
Is sweeter than before.

I love You more and more each day,  
I love You, Lord, in every way.  
Your Person has attracted me.  
I need You desperately. (Dear Lord.)

3. One taste of You, my Lover.

I need You over and over.  
My heart can't have another.  
That's why I'm a believer.

I love You more and more each day.  
I love You, Lord, in every way.  
Your Person has attracted me.  
I need You desperately. (Dear Lord.)
