2. Genesis, the blueprint —
Revelation, the fulfillment —
From God's plan and economy
To the city in eternity.
3. Man from the dust of the ground
At the end, New Jerusalem.
Here God's wisdom and love abound.
Oh! This is most profound!
4. Deep in God's heart He planned
To mingle Himself with man.
God, as a river and a tree,
Man's food and drink to be.
5. God our enjoyment
Issues the fulfillment:
A city as His expression
Built with gold, pearl and precious stones.
