You. I just love You, just You, Just love You.

2. Jesus, my dear Lord, I love You.

I can't go on Lord, without You.

I'm sick of love, my soul has failed;

I need You Jesus, my Beloved, I love You.

3. Mary, My seeker, I am alive.

Stop, do not touch Me, as I have not

Yet ascended to the Father,

For this freshness is for the Father's enjoyment.

4. My dear Rabboni, my heart's desire,

You have risen out of the grave.

O Lord, I love You, my dearest One.

You've truly risen from among the dead.

Dear Rabboni,

Lord, I can't believe it's You!

I don't know how this could be

But I enjoy You here.

I love You!

5. O Lord, my heart is filled with ecstasy

In resurrection, to be here with Thee.

I am elated, beside myself.

Jesus, I'll love You with all my heart, forever.

6. Go tell my brothers you have seen Me.

Tell them the words which I speak to you:

I must ascend to My Father

And to your Father, and to My God

and to your God.

I have found my Love,

He has risen from the dead.

Now our Jesus is alive.

I have seen Him, seen Him!

I love Him!

7. Jesus, we love You with all our heart.

Our Love, we need You so desperately.

O Lord, we love You immensely.

We will be loving You for all eternity.
