

Living in mutuality

Experience of Christ—Living in Him

(Guitar: Capo 3)

1. Be - fore we were saved, we were a - lone. Though so ma - ny oth - ers were
with us, In fact we were still by our - selves, a - lone.
Once we got saved we could nev - er a - gain Be a - lone by our - selves;
Some - one has come, now wher - ev - er we go And what - ev - er we do,
Je - sus is here. Al - ways this oth - er Per - son stays with us.

2. Sometimes we are pleased that He remains.

We love Him and cherish Him, yet there
Are times that we secretly wish He'd go.
This One, however our Christ we could
Never escape or evade.
Though we would tell Him to just go away
And to leave us alone,
Jesus won't leave.
It is impossible to be alone.

3. We're single no more; now we are two.

Formerly we were just one by
Ourselves, but now Christ wants to be our life.
Once we got saved we could never again
Be alone by ourselves;
Someone has come, now wherever we go
And whatever we do,
Jesus is here.
Always this other Person stays with us.
He is our life.
