2. Every concept, all desires,  
I now forsake for You!  
Shine on all that I can't see,  
On all that is not You!  
Live Your life, live Your life.  
I've been crucified with You.  
Every moment, I would live in oneness,  
Lord, with You!
3. When I struggle, grant me grace  
To turn my eyes on You!  
Keep my heart so close to You,  
My love, so fresh and new!  
Come in, Lord! Come in more!  
I would seek none else but You!  
All my life, my love, my all, I pour it,  
Lord, on You!
