2. Others try the world and sin,
But for me — I only want Him.
Lord Your beauty has captured my heart.
Now I give You every part.

Jesus, I love You;
No other one compares to You.
Jesus, I love You;
My all and life I give to You.

3. Jesus now is living in me.
We'll be mingled as one entity.
God's good pleasure His Bride we'll be
As His wife for eternity.
