

Life is God the Father

Experience of Christ — Growing in Life

(Guitar: Capo 3)

1. Life is God the Fa - ther In Christ Je - sus as the Spir - it Flow - ing out and com - ing in - to us.

He's not just a teach - ing, Or a creed or a dead doc - trine, But the pro - cessed Tri - une God, glo - ri - ous!

2. Life is not created
As man's body, soul, and spirit—
That's man's life that's weak and temporal.
Life is uncreated.
It's divine and it's eternal.
And this is the life that's indestructible.
3. And this life came in us
In our spirit through the Spirit;
This is where we were made alive!
Now this life is spreading.
Lord, don't stop—just keep invading.
For this, Lord, we must be daily revived.
4. Life needs our maintaining,
Otherwise we're suffocating.
Calling on His name we breathe Him in.
Everywhere we breathe Him,
Makes us fresh and makes us living.
O, this life is full of hope and meaning.
5. In our daily living
It's this life that we are sensing.
Are we in the flesh or in the Lord?
If you're dead and empty
And the troubles you have plenty,
Saints, get out of there and flee back to the Lord!
6. Then you'll sense life flowing
It's this life that's overcoming
Satan, flesh, and the world, and sin.
What a life we're having.
Lord, Your virtues manifesting,
Thus, we're branches bearing fruit in John 15.
