bride. This is the sto - - ry of the Song of Songs.

2. The Song of Songs depicts our story with God
Of fallen man with the King of kings.
Because of His love for us,
He became a lowly man
To reach us and to die for our sins.
Then in resurrection He
Regenerated me
And now we're daily being transformed.
To become the same as He with His life and nature
To become His counterpart, His match and bride.
