2. Lord Jesus, I need You
 More than I needed You before.
 Without You, Lord, I would be through;
 I would collapse apart from You.
 Your presence is my everything.
 You are the greatest blessing.
 Lord Jesus, I need You.
 I love and treasure—only You.

3. Lord Jesus, I love You
 More than I loved You before.
 You first loved me and died for me;
 Your dying love has conquered me.
 One look at You hanging on a tree;
 You loved me, Lord, so utterly.
 Lord Jesus, I need You.
 I love and treasure—only You.

4. Lord Jesus, I treasure You
 More than I treasured You before.
 You dwell in me, priceless One to be
 So near and dear subjectively.
 Lord Jesus, You're one with me;
 We're mingled for eternity.
 Lord Jesus I need You.
 I love and treasure—only You.
