

# Love covers all things and believes all things

Scriptures for Singing

(Guitar: Capo 1)

1. Love cov-ers all things and be-lieves all things, Love hopes in all things and en-dures all things.  
Love nev-er falls a-way and won't be ren-dered use-less. But oth-er things will pass a way.

2. Life is the element of God, who's love;  
Hence God as life is shown by love, through you.  
Don't neglect love, but pursue it first;  
Love makes a person spiritual.
3. Love suffers long and love is kind, so kind,  
Love does not brag, is not puffed up,  
Love rejoices when God's truth is manifest,  
Love is the element of God.
4. If I speak in tongues, but do not love, I am  
Like sounding brass giving lifeless sounds, not life.  
If I know all mysteries but do not love my brother,  
I have no love and am nothing.
