Her dear heart is now His home.

3. Who is this woman I am seeing?
Shining forth as the moon and sun.
She is absolutely heavenly,
From the old creation free;
Overcoming all to live within the veil.
4. An army terrible with banners
Christ's lovers overcome to be.
Those attracted by His beauty,
Fully trusting in His power.
Her romance is now the dances of two camps.
5. The Shulamite, His duplication,
His counterpart has now become.
She's the same in life and nature,
His expression to the full;
Consummated as the New Jerusalem.
