the Spirit, He in-dwells us; As our God allotted portion, Working out His full salva - tion, Making us the same as He is.

(C) Oh, may a clear, controlling vision of The Lord's economy direct my heart, And burn in me until my spirit's whol-ly set a fire!

With spirit strong and active we'll press on To consummate God's goal— New Jeru - salem, Hallelujah!

2. Jesus lived the God-man pattern,
Set the way for us to follow,
He denied His natural man and
Was obedient unto death,
Once He was the only God-man;
Now we are His duplication.
As the many grains we're blended
As His corporate reproduction.

4. God and man will have one living,
Always in the mingled spirit;
We two are incorporated
One organic entity!
This the vision of the ages
Will control our daily living
That the Lord may have His Body
Shining as the holy city.

3. Living out His resurrection,
Dying to the flesh and soul-life.
Living by the mingled spirit,
Natural man we will deny.
Now we're living in the Body,
Every day we're overcoming,
Striving for the peak of Zion,
Watching for our Lord's appearing.
