

He knows, He knows

Comfort in Trials—By Trusting the Lord

1. Fear not, He knows; My soul why fret and trem-ble? Fear not, He knows; Your life is in His hands.

9 Fear not, He knows; And you know He is a-ble To care for You, So trust the best is planned!

18 **Chorus**

(C) Oh Lord, You know; 'Tis a thought so joy-ous! Though I don't know, What need have I to fear?

26 You know, You know; Thank and praise You, Je-sus! Through all un-knowns, You make Yourself so dear!

2. Just trust, He knows
 Life's still unwritten letter.
 Just trust, He knows
 Plans time would now disguise.
 Just trust, He knows,
 He sees which turn is better;
 At the right time
 He'll open up your eyes!

3. Just rest, He knows;
 With Him blindness is pleasant!
 Just rest, He knows;
 Sightless, you see Him best!
 Just rest, He knows;
 My soul, don't waste the present
 On those "what-if's".
 Just turn to Him and rest!

4. Just seek, He knows;
 Seek first His heart's great yearning.
 Just seek, He knows;
 Serve Him, in Him abide.
 Just seek, He knows;
 Have peace and rest while turning.
 Put His cares first;
 All else He will provide.
