

Jesus Lord, I long for Your embrace

Experience of Christ—Loving Him

(Guitar)

1. Je - sus Lord, I long For Your em-brace To taste Your kiss-es sweet-er than wine, To know the
love that sur-pass-es all time, To feel the joy when I am in Your arms, Pre-cious One.

2. Jesus Lord, You died

To set me free.

Now You're my all and my everything;

I am so lost when I'm not near Thee;

Sick with love for You I'll ever be,

Treasured One.

3. Jesus Lord, I'm charmed

By Your mercy

And I rejoice that You've chosen me

To be with You in eternity

But until then keep me close to Thee,

Lovely One.
