## 2. Jesus Lord, You died

To set me free.

Now You're my all and my everything;

I am so lost when I'm not near Thee;

Sick with love for You I'll ever be,

Treasured One.

## 3. Jesus Lord, I'm charmed

By Your mercy

And I rejoice that You've chosen me

To be with You in eternity

But until then keep me close to Thee,

Lovely One.
