2. Lord, I'm not strange, I just can't change
It's not from lack of effort though
The more I try, the more I find
I need for You to grow.
Where I have failed, Lord You've prevailed
The secret of success I know:
That all I need is life indeed,
I pray for You to grow.

3. With flags unfurled here comes the world It's beauty does my heart embrace But it grows pale whene'er that veil Removed displays Your face.

As my heart turns, with love it burns Your face is all I want to see Your image Lord which I adore My image soon will be.
