(C) Oh Jesus now grow in me; I want for You to be Pleased to be in me what You want  
D G D A7 D  
to be And when it gets too hard feel free To grow some more in me.

2. Lord, I'm not strange, I just can't change  
It's not from lack of effort though  
The more I try, the more I find  
I need for You to grow.  
Where I have failed, Lord You've prevailed  
The secret of success I know:  
That all I need is life indeed,  
I pray for You to grow.

3. With flags unfurled here comes the world  
It's beauty does my heart embrace  
But it grows pale whene'er that veil  
Removed displays Your face.  
As my heart turns, with love it burns  
Your face is all I want to see  
Your image Lord which I adore  
My image soon will be.
