

Grow in me

Longings—For Growth in Christ

1. Lord, when I'm bad I get so sad; It seems the Lamb I nev-er knew, But
 blood was shed, de - pres - sion fled So now I hide in You. It's
 in the Son I have be - gun, It's in the Son I'll on - ward go In
 Him I'll walk, in Him I'll talk, In Him I'll sure - ly grow.
Chorus
 (C) Oh Je-sus now grow in me; I want for You to be Pleased to be in me what You
 want to be And when it gets too hard feel free To grow some more in me.

2. Lord, I'm not strange, I just can't change
 It's not from lack of effort though
 The more I try, the more I find
 I need for You to grow.
 Where I have failed, Lord You've prevailed
 The secret of success I know:
 That all I need is life indeed,
 I pray for You to grow.

3. With flags unfurled here comes the world
 It's beauty does my heart embrace
 But it grows pale when'er that veil
 Removed displays Your face.
 As my heart turns, with love it burns
 Your face is all I want to see
 Your image Lord which I adore
 My image soon will be.
