

Another new day

Longings—For Living Christ

Lord, I thank You for an - oth - er new day to live You;
 An - oth - er day for me to prac - tise being one spir - it with
 You. Re - mind me this whole day to re - ject my self,
 Not to trust my - self, And not to live by my - self.
 Strength - en me to live by You.
 Make this a day for me to live You out.
 Tak - ing You as my ev - ery - thing, Abiding in You as a branch in the vine.
