

# Welcome

## The Church—General

1. We don't care where you come from, We don't care where you would go. Since we meet in the Lord, Let us all meet joy-ful-ly. Things may come to dis-cour-age And they leave you some-what sad; Let it all go, let it go! And let's sing a mel - o - dy. **Chorus** (C) Wel - come here, our dear friend, We're so glad that you have come, Here we all love you, And the Lord loves you most. In the church we need you now, Ev - ery - thing here is for you. We wait for you to re - turn, Just re - mem - ber that we'll think of you.

2. Won't you cast off your burdens,  
 Put aside all your restraints,  
 Sing a song full of joy,  
 Breathe in the refreshing air  
 Let's enjoy holy feelings  
 Savour sweetness and repose  
 Let's bring home peace and this joy  
 So we'll never be distressed.
