Hal-le-lu-jah! God		with us,		In man He came to dwell.			

2. Christ is God incarnated,
 How wonderful! How marvellous!
 Incarnated so that He could
 Live inside of you and me,
 He's mingling now with us.
 Christ is God incarnated,
 He became the first God-man.
 Oh! How glorious!
 Now He lives inside of us,
 Fulfilling God's great plan.
