

Christ is God incarnated

Praise of the Lord — His Incarnation

1. Christ is God in-car-nat-ed, Born ac-cord-ing to God's plan
 To bring di-vin-i-ty, in-to hu-man-i-ty, By min-gl-ing with man.
 Christ is God in-car-nat-ed, He be-came the Son of Man; A
 man of flesh yet without sin, Ac-complish-ing re-demp-tion, He was a perfect man.
Chorus
 (C) And He shall be named Je-sus, And called Em-ma-nu-el,
 Hal-le-lu-jah! God with us, In man He came to dwell.

2. Christ is God incarnated,
 How wonderful! How marvellous!
 Incarnated so that He could
 Live inside of you and me,
 He's mingling now with us.
 Christ is God incarnated,
 He became the first God-man.
 Oh! How glorious!
 Now He lives inside of us,
 Fulfilling God's great plan.
