

Reigning life

Experience of Christ — As Life

(Guitar: Capo 3)

D Bm G A⁷ D Bm G A⁷

1. How I love Your reigning life, Lord. How I love abundant grace. How I love to have Your presence, As I live before Your face.

F[♯]m Bm Em A⁷ D Bm G A⁷ D G D

(C) By Your life, Lord, I am reigning. I am over, over everything. As I'm joyfully confessing, Jesus, as my Lord and King.

2. Sin, you helpless little fellow,
Lost your pow'r on Calvary.
I have made exchange of masters,
Now it's Christ who rules in me.
3. World, with all your little trappings,
You oppress with doubts and cares.
I have found a new provider,
My anxiety He bears.
4. Self, you cruel manipulator,
You are wholly crucified,
I have no more need to struggle,
In Christ's vict'ry I abide!
5. Lord, when You return in glory,
When You then the kingdom bring;
By Your life my Lord then make me
Manifested as a king.
