

The divine mystery

Experience of Christ—As the Spirit

1. Oh! Let us sing joy - ful - ly. Sing an un - veiled mys - ter - y. We en -
 joy the realm of the Spir - it now, The di - vine and mys - ti - cal re - al - i - ty. Oh! En -
 joy! Sing! Re - jice! This di - vine mys - ter - y! We en -
 joy the realm of the Spir - it now, The di - vine and mys - ti - cal re - al - i - ty.

2. Oh! You are the Spirit, Lord, in my spirit one with me
 When I touch the life-giving Spirit now
 I am one with You and You are one with me.
 Oh! Experience of God in the Spirit of life.
 When I touch the life-giving Spirit now
 I am one with You and You are one with me.

3. Oh! I'm saved organic'ly, growing to maturity.
 Now from sin, the world and the self I'm free
 In the Spirit who is sanctifying me.
 Oh His nature in me sanctifies thoroughly;
 Now from sin, the world and the self I'm free
 In the Spirit who is sanctifying me.

4. Oh! In spirit we're transformed, to the Son we are conformed.
 He's the resurrected, surpassing One;
 Who is formed and constituted within me.
 Oh! Transformed! Oh! Conformed! To the image of the Son!
 He's the resurrected, surpassing One;
 Who is formed and constituted within me.

5. Oh! May I be one with Thee, an expression of glory.
 Once a vessel rough, full of dishonor
 Now I grow up into Thee organically.
 Oh! This life! Glorious! Reaching full maturity!
 Once a vessel rough, full of dishonor
 Now I grow up into Thee organically.
