

Christ, not religion

Experience of Christ — Versus Religion

1. To be set free from the bond of sin, To have the joy and peace with-in,
 To live a life full of mean - ing, Be-lieve in - to the Lord.
 Man's way to please God—re - li - gion; God's way— a liv - ing Per - son;
 Christ is God's way of sal - va - tion; Be-lieve and you'll be saved.
Chorus
 (C) It pleas-es God to res-cue us Out of this pre - sent e - vil age,
 And to re - veal His Son in us— Most peer-less One of all!

2. We have received Christ the Spirit
 Through faith and not our merit;
 Having begun by the Spirit,
 We learn to live by faith.
 We are the sons of the living God,
 Enjoy the blessings of our Lord,
 Grace to our spirit He doth afford,
 From our self-effort freed.

3. Oh what a joy! Christ now lives in us;
 No longer I—how glorious!
 He's daily growing within us
 Till He is formed in us.
 We live and walk by the Spirit,
 Enjoy the fruit of the Spirit;
 To Him our whole lives we commit;
 All else is vanity.
