Bless me, Lord, with days and nights

Longings—For Christ

(Guitar)

1. Bless me, Lord, with days and nights Of talks a - lone with Thee, With hours and min - utes, mo - ments too That I would thus know Thee.

2. Bless me with Thy presence sweet,
For I have naught but Thee;
Yea, nothing left but Thee Thyself,
Lord, give Thyself to me.

3. Bless me with Thy shining light
And deal with every part.
That I would unreserved be
A channel of Thine heart.

4. Bless Thee, Lord, forevermore;
Come in these days between
'Til I one day I am as Thou art
And Morning Star be seen.
