1. Lord, how I thank You that You died on the cross for me. Your mer - cy, my Sav - ior, reached me.
And Lord, You paid the highest price, My life bought with Your shed blood, My life now belongs, Lord, to You.
And Lord, how can I turn a - way from Your love, The e - ter - nal love which You have for me?
I give You my heart; Lord, spread in ev - ery part, Till my whole heart be - longs to You.

It is single and pure for You.
No other love, Lord would I know.
Lord I am so in love with You.
For You are so lovely,
My everything, my all in all.
And Lord, I really want to know
This Person inside of me.
Lord, keep my heart open to You.
Keep flowing Your life,
Into me that I would grow,
