2. Lord gain my heart so that
 It is single and pure for You.
 No other love, Lord would I know.
 Lord I am so in love with You.
 For You are so lovely,
 My everything, my all in all.
 And Lord, I really want to know
 This Person inside of me.
 Lord, keep my heart open to You.
 Keep flowing Your life,
 Into me that I would grow,
 And be saturated with You.
