

# Lord, how I thank You

## Experience of Christ — Loving Him

1. Lord, how I thank You that You died on the cross for me. Your mer - cy, my Sav - ior, reached me.

And Lord, You paid the highest price, My life bought with Your shed blood, My life now belongs, Lord, to You.

And Lord, how can I turn a - way from Your love, The e - ter - nal love which You have for me?

I give You my heart; Lord, spread in ev - ery part, Till my whole heart be - longs to You.

2. Lord gain my heart so that  
 It is single and pure for You.  
 No other love, Lord would I know.  
 Lord I am so in love with You.  
 For You are so lovely,  
 My everything, my all in all.  
 And Lord, I really want to know  
 This Person inside of me.  
 Lord, keep my heart open to You.  
 Keep flowing Your life,  
 Into me that I would grow,  
 And be saturated with You.
