'Tis my sto - ry and my song; To the world I say so long;
I now walk and live in light With the New Je - ru - sa - lem in sight.

Chorus
(C) Till the end of days, He will be with me And lead me to that place; I give my all:
My life, my ways, my thoughts, And ev - ery - thing to Him, my love.

2. Sometimes I think that I might leave
And wallow in misery,
But then graciously He comes
And applies His gentle, soothing touch.
'Tis my story and my fight;
To the self I say goodbye;
I now walk and live in light
With the coming kingdom full in sight.
