

Breathing in the Lord

Fulness of the Spirit—As the Breath

1. Breath - ing in the Lord Is how we live to - day.
 Not by think - ing do we live, But breath - ing is the way.
 We just call "O Lord!" From ver - y deep with - in,
 And with joy we tes - ti - fy We're breath - ing in of Him.
 Breathe in Christ, Breathe in Life, Breathe Him in to - day!
 He's our ver - y life sup - ply, So breathe Him right a - way!

2. He's so wonderful,
 The Breath of Life is He;
 Once he simply was a man,
 But now He's breath to me.
 He has changed His form;
 The Spirit now is He.
 He's the Christ breathed out from God,
 The Breath breathed in by me.
 Everywhere, everywhere,
 Christ is life to me;
 I just call upon His name,
 And breath comes into me! (Repeat)
