

It is not a message that I've heard

Gospel—Need of Christ

1. It is not a mes - sage that I've heard, Not some points that I've learned,
Not a song or verse I know by heart, That can
meet your need, or wash your feet, Touch your heart, or fill the void, But it's
Christ, just the Christ, That I've en - joyed.

Chords: F, Am, Gm, C⁷, Dm, Gm, C⁷, F, Dm, Gm, C⁷, F, B \flat /F, F

2. It is nothing good that is of myself, (Just the Christ, in you and me,
Nothing of my natural life, (The Christ who's all to be,
Not the best of fruit from the knowledge tree, (Only Christ we'd know,
That can touch your life, or turn your heart, (Christ can touch your life,
Refresh you in your deepest part,
But it's Christ, just the Christ, (Just this Christ,
Lived out through me. (Just the Christ in me.)
