

Lord, do unveil

Longings—For Deliverance from Self

1. Lord, do un - veil The more we strive, the more we fail All the
 strife— they all come out to no a - vail. Lord, they're
 just not for your need By "self", we won't suc - ceed. Lord, we con -
 Christ in us in - creased.

2. Lord, we confess
 We are not able, Lord, unless
 We have You; You're all in all—You're our success!
 All we need, O Lord, is You
 'Cause nothing else will do.
3. O Lord, we pray
 Increase Thyself in us each day
 And the "self"—decrease it 'til it's done away.
 Lord, we want the growth in life
 We don't want all the strife.
4. Lord, life's begun
 Two spirits mingled into one
 Day by day, walk in the spirit and we've won!
 Then the "self" will be decreased
 And Christ in us increased.
