

# Jesus Lord, I just love You

Experience of Christ—Loving Him

(Guitar)

1. Je - sus Lord, I just love You. You've attract-ed me, and my heart re - newed.  
I pur - sue You like a dove; I be-long to You, and You're my Be - loved.  
Ev-ery-thing un-der the sun is van-i-ty: It's like chas-ing af-ter wind, so emp-ti-ly;  
You have put with - in me, Lord, e - ter - ni - ty...

2. Now I rise to come away;  
In the cleft rock, Lord, I would ever stay.  
Kiss me, Lord; refresh me, too,  
As I gaze at You, and Your death I view.  
You were broken on the cross for me, dear Lord.  
All Your being, life and love for me was poured.  
Precious One, You are the One that I adore...

3. Make me, Lord, a fragrance true,  
As a garden filled, with Your spices new.  
Transform me, Your Bride to be,  
For Your heart's desire, through eternity.  
As Your lover in the veil, I long to be,  
Be conformed to Your sweet death continually,  
'Til Your city we become eternally.
