I	love You, Lord—	O	so much.	Not	a lit - tle	but a bunch.

2. Lord, I do not have all the words  
 To speak my love out to You.  
 For Your love to me surpasses  
 All words that ever I knew.  
 All the languages, though so different  
 They all can say the same thing—  
 That my love for You is great.  
 I love You, Lord—O so much!
