

Oh, how we enjoy the blending

The Church—Her Fellowship

(Guitar)

A **C#m** **D** **E⁷** **A** **C#m** **D** **E**

1. Oh, how we en-joy the blend-ing, With the saints a-long the way,

A **C#m** **D** **E**

Sing-ing, prais-ing, and en-joy-ing, Fill our spir-its 'til we say:

D **E** **A** **F#m** **A** **D** **E** **A** **A⁷**

(C) Hal-le-lu-jah for the blend-ing! It's the way to live to-day.

D **E⁷** **C#m** **F#m** **D** **E⁷** **A**

So we're stand-ing and pro-claim - - ing, "In the church is where we'll stay."

2. We see what God is recovering

What a sight it is to see!

What a treasure He is building,

It's His Body corporately:

3. We're so happy and so thankful

For this opportunity;

Thank You, Lord, You've been so faithful

To show all of this to me;
