 O set

 na - ture, In love ev - er in - sep - 'ra - ble. 2. By Your...
 long - ing, Come quick - ly up - on Spic - e's Mount!

2. By Your nature is mine sanctified,
 And my beauty's from Your life divine.
 I'm renewed, submissive, sweet,
 With Thee, with hind's feet leap.

3. As a dove, You alone do I see;
 As a lily, I'm trusting in Thee.
 I'm transformed and built by Thee
 Your rest and joy to be.

4. In the fields let me follow You, Lord,
 All my days work, in loving accord.
 Be matured, Your Queen, Your Bride,
 Then raptured, glorified.

O set me a seal on Thy heart,
 Your love strong as death doth abound.
 King, Belov'd, for You I am longing,
 Come quickly upon Spice's Mount!
