2. Now although I'm still kind of small,
And the future is in front of me.
In my heart I've heard the Lord's call,
Just to follow Him absolutely.
Though the path may be holding
Much joy or much pain,
What matters is that more of Him I would gain,
Regardless what happens,
I never would change.
'Cause I'm made to be filled with the Lord.
Yes, I'm made to be filled with the Lord.
