

# I'm a God-man

Various Aspects of the Inner Life — The Two Spirits as One

**Chorus**

(C) Did you know that I'm a God- - man? A three- - part man min - gled  
 with the Tri - une God, And I have a spir - it Where the en - e - my has no  
 way, no hope, no ground... I am a God- - man!  
 1. The Lord lives in - side of Me, And He's us - ing my spir - it as a beach-head To  
 spread Him - self in - to ev - ery part Of my mind, e - mo - tion, and will.  
 He sowed Him - self as the seed In - to my in - ner - most part—  
 And the king - dom is here, To - day, now, in - side of me And my  
 heart is now His home!

2. Every time I say "Amen" to His Spirit  
 And walk by my spirit,  
 The kingdom seed grows and develops  
 Deep inside of me.  
 On the outside, it may seem that there's  
 No change in me—  
 But I'm not the same,  
 'Cause as the seed grows in me,  
 Inside I'm becoming God!
