Now in His life we are free.
From the darkness to the light—
Now in Him reality.

Hallelujah Jubilee.

Has restored us to the land,
He has brought us to the Father
Now fore'er to dwell in Him.
From a distant land to home—
His embrace now comforts us.
We proclaim the year of our Lord,
Hallelujah Jubilee.

Has restored the family,
Brothers, sisters we are here now
In God's house eternally.
No more strangers from His love—
Now His children ere to be.
