

Morning Dew

Consecration—Attracted by the Lord's Beauty

1. Sun in the day, the moon at night, de-clare how great is Thy Lov-ing-kind-ness and Thy faith-ful-ness
 Give life and breath to man, Your race Long-ing for them to seek Your face
 Loved me, You're not a-shamed "I have called you by name" Healed me, the brut-ish and lame "I have held you by hand"
 Your faith-ful-ness, Your love un - told At last Lord You break my strong - hold.
Chorus
 (C) We con - se - crate a - new Do train, con - form us to You
 "May we be like the morn - ing dew, "How I love You" Young peo-ple sat-is-fy-ing You."

2. Your charming self and cheering love drew me to run to You

I thought I could be absolute
 But how I've failed, how I've stumbled
 To run this race divine by self
 Now I abhor myself
 "Look away unto Me" (Hebrew 12:2)
 I just cannot prevail
 "It is by My Spirit" (Zechariah 4:6)
 I am faithless, You're faithful still (2 Tim 2:13)
 Your love is stronger than my will.

3. Your gracious gifts, Your holy calls are irrevocable (Roman 11:29)

Though I am not but You are able
 From strength to strength, grace upon grace (Psalm 84:7, John 1:16)
 Sustaining me to win the race
 My life I give to You
 "I will never leave you" (Hebrew 13:5)
 My dreams and future, too
 "Nor will I forsake you" (Hebrew 13:5)
 Oh Lord I do! I do! I do!
 I love You Lord I really do.
