

O Lord, we'd know Your heart today

Consecration—Constrained by the Lord's Love

(Guitar: Capo 3)

1. O Lord, we'd know Your heart to - day,
You'd gain a Bride who will not sway;
One seek - ing on - ly af - ter You,
Whose heart, whose mind, whose will, whose goal Is al - ways ev - er true.

2. O Lord, just make us such a one:

A Bride well-pleasing in the Son.

One to satisfy Your heart;

O we would fill Thy longing, Lord,

As Thy sweet counterpart.

3. O Lord, do capture every thought,

Your mind in ours would be inwrought;

Grant us to see Your economy

Until that glorious day, dear Lord,

When You'd be all we see.

4. O Lord, grant us the strength to say,

Our will is Yours in every way;

You'd move through us to all the earth,

To show the nations Your unbounded,

Everlasting worth.

5. O Lord, this would be our life's goal:

You'd saturate our very soul;

O Lord we're crying out to You,

Make us Your overcoming Bride,

And see Your purpose through.
