1. Our con-di-tion was        dead in of-fens-es,        To the flesh we were        en-slaved.

By Your Spir-it        en-ter-ing        our        spir-it,        In Your life we've been        re-vived.

2. We were once far off but have become near  
In the blood of the dear Son.  
In His flesh abolished all the ordinances,  
Thus creating two as one. [Eph. 2:13, 15]  
We have access directly to the Father  
Through Christ Jesus, our Lord  
In one Spirit, whether Jew or Gentile,  
Fellowship has been restored. [Eph. 2:18]

3. Make the prayer that Paul had in Ephesians  
The prayer in our daily plan.  
Father strengthen us with power through Your Spirit,  
Deep into the inner man. [Eph. 3:16]  
Lord, keep spreading into every corner,  
Lord, keep gaining each part.  
We allow you to have the room within us.  
Make Your home in all our heart. [Eph. 3:17]

4. Lord, Your riches are so unsearchable.  
I can never comprehend.  
But with all the saints in such a corporate church life  
Your dimensions apprehend. [Eph. 3:8, 18-19]  
By Your mercy, keep me in Your Body,  
Taking the rich supply.  
Through each member's function in their measure  
All the Body edify. [Eph. 4:16]

5. Deep within You is the greatest mystery,  
One that countless men have searched.  
But to us You have unveiled the revelation,  
Now we see Christ and the church. [Eph. 5:32]  
Lord, we're wholly for Your heart's desire—  
Make Your church sanctified.  
Through the washing in the pure word's water  
May You gain Your glorious Bride. [Eph. 5:25-26]
