1. With the kisses of Your mouth, Have You kissed me, Lord. From Your kisses flows a fountain, From a depth unknown. Gently

**E** **F#m** **D** **E** **A** **E** **C#m** **F#m** **E**

ly tempered by Your touching Of my deepest chords, My heart's renewed with gladness, And my love o'erflows.

2. Let me kiss You, drink You deeper, Fully satisfy All the longings deep within me, For Your presence night, And

a deeper, sweeter union, Of Your life with mine That our natures fully mingled, Would our hearts entwine.
